**AMERICAN CONSULATE GENERAL  
MARSEILLE, FRANCE**

**LIST OF ATTORNEYS  
in the Consular District of Marseille**

**CONSULAR DISTRICT**

The Marseille Consular District includes 16 departments : Aude (11), Ardèche (07), Bouches-du-Rhône (13), Haute-Corse (20), Corse du Sud (20), Drôme (26), Gard (30), Hérault (34), Isère (38), Lozère (48), Pyrénées-Orientales (66), Var (83), Vaucluse (84), Alpes Maritimes (06), Alpes de Haute-Provence (04), Hautes-Alpes (05). The Principality of Monaco is also part of the consular district.

As of January 1, 1992, France has two major categories of legal practitioners:

**I - AVOCATS (FRENCH LAWYERS)**

An "Avocat" must be a lawyer. "Avocats" may render legal advice on all matters, drafts agreements and contracts, handle commercial disputes and collection cases, and plead and defend civil and criminal cases before the French courts to which they are admitted.

**II - NOTARIES (NOTAIRES)**

A French "notaire" is a public official appointed to the Ministry of Justice, and not the equivalent of a notary public in the United States. The number of "notaires" in each jurisdiction is limited, and their fees fixed by law. Their functions include the preparation and recording of notarial acts (wills, deeds, acts of incorporation, marriage, contracts, etc..), the administration and settlements of estates (excluding litigation in court) and serving as the repository of wills. They are not lawyers, but very specialized members of the legal profession. They may not plead in court.

**THE LIST OF ATTORNEYS.**

The following individuals and firms have informed the Consulate General that they are qualified to adjudicate law in the categories specified, and that they are sufficiently competent in the English language to provide services to English-speaking clients. The American Consulate General in Marseille assumes no responsibility for the professional ability or integrity of the individuals or firms listed herein. The Consulate General has neither the authority nor the facility to act as a bar association grievance committee. If you encounter unsatisfactory services by parties listed, however, set forth the circumstances in writing and the complaint will be noted in our files.

THIS LIST IS RELEASED ON THE CONDITION THAT IT WILL NOT BE PUBLISHED OR REPRODUCED. French law prohibits members of the legal profession in France from advertising their services. Publication of the names of attorneys with data on their professional qualifications would be a violation of this law.
